- Konstantina3

Languages

- Greek (Native)
- English (Professional)
- German (Professional)

Interests

- Digital Forensics
- Grow Your Business
- First Responder Education
- Womentors

Education

Informatics

2018 - 2023

Ionian University

High School

2015 - 2018

High School of Lamia

Experiences

Software Developer

2022 - 2023

Practical Training

PROJECTS

Digital Forensics training exercise - Creation of a digital forensics training exercise for my thesis by the time in University. On this exercise, I make a forensic analysis and investigation by building a case that reveals the suspect and important evidence of him.

Tilderist - A website that designed to offer to companies, mostly startups, a
legal document automation tool that generates Privacy Policy, Terms of Use
and Cookies.
