My Biography

Konstantina Iliopoulou

Undergraduate Student of Informatics

- p18ilio@ionio.gr

Languages

- Greek (Native)
- English (Lawer)
- German (B1)

Interests

- Jogging
- Tennis
- Traveling

HCI

With the course "Human-Computer Communication", I will develop an innovative digital application-service, based on humans and their needs. This Summer I did my internship at a startup company, where we created an innovative project "Tilderist" that automates the legal documents of small enterprises. So my collaboration with the team was inspirational for my personal project.

Education

Informatics

2018 -

Ionian University

High School Degree

2015 - 2018

High School of Lamia

Experiences

Womentors

2020 - 2021

Lampraki Foundation, Athens

Python

2019 - 2020

Ionian University, Corfu

PROGRAMMING SKILLS

C

C++

Java

Python

HTML & Javascript
